Instructions for employer

Use this starter checklist to gather information about your new employee if they do not have a P45. You can also use this form if they have a student loan (whether or not they have a P45). Use the information to help fill in your first Full Payment Submission (FPS) for this employee. If you have already submitted your first FPS, keep using the tax code in that FPS until HMRC sends you a new tax code. If the employee gives you their P45 after the first FPS submission, use the tax code shown in parts 2 and 3 of the P45. You must keep the information recorded on the starter checklist for the current and next 3 tax years. This form is for your use only.

Instructions for employee

Fill in this form if you do not have a P45 (a document you get from your employer when you stop working for them). You should also fill in this form if you have a student loan (whether or not you've a P45). Give the completed form to your employer as soon as possible. They need this information to tell HMRC about you and help them to use the right tax code. Make sure you answer the questions correctly. If you do not, you may pay the wrong amount of tax or student loan deductions.
